EXPERIENCE

Student @ Girls Who Code - Chicago, IL

JUNE 2017 - AUGUST 2017

- Polished communication skills through experiences in developing with teams
- Networked with industry professionals and explored opportunities within the technology industry

EDUCATION

James B Conant High School - Hoffman Estates, IL

AUGUST 2015 - MAY 2019

- Relevant Coursework: AP Computer Science A, AP Computer Science Principles, Mobile Apps, Trigonometry, AP Calculus A, Algebra 2, AP Calculus BC
- GPA: 3.96/4.0

PROJECTS

Glo-Pal

Using Django, CSS, HTML and Javascript, my team and I created a website where users can earn points by completing eco-friendly activities like taking shorter showers and planting trees.

Uno

This program has a client and server that can interact with each other and play uno. This program uses object-oriented programming and networking.

Calculator

My partner and I programmed a calculator that can calculate permutations, combinations, derivatives, integrals and all basic functions. It can also sort lists as well as use lists to find the linear regression.

SKILLS

Python, Java, Javascript, HTML, CSS, Git, Swift, Object-Oriented Programming, Django & C
